CLASSROOM EXPECTATIONS!

Expectations

I expect everyone to hold themselves at high standards.

Solve Problems reflectively, not reactively
Timely, be on time and ready to go
Attentive
Respectful to oneself and others.

Classroom Rules:

1. **Talking:** Sure, but only when appropriate to the environment of the classroom.
2. **Eating:** No messy food, and if you do not clean up after yourselves the whole class will lose its privileges.
3. **Drinking:** Water is essential for survival; soda and coffee are bad for you, if you choose to poison your body with it make sure you don't spill. If you do spill I own a mini carpet cleaner. See you after school!!
4. **Sleeping:** DON'T!! I own a blow horn.
5. **Cell Phones:** Be in the moment. Nothing will happen in your friends' life that would impact you immediately. You will be able to discuss the OMG moments during passing period. I will follow the rules set by SMHS Admin. However, with that said, I understand that emergencies can arise, be respectful and quietly go into the hallway to handle the situation.
6. **Bathroom:** Only if you are doing the potty dance, not because you want to meet your significant other for a chat!! You must have a planner.
7. **Participation:** Do not sit in the class like a lump on a log. You are doing no one a favor by keeping your views to yourself. I want you to share your ideas (respectfully, of course) with all of us. Plus it will boost your grade.
8. **Consideration and Respect:** It is of utmost importance that we respect each person as the wonderful individual they are.. Disrespect and rudeness will not be tolerated. DON'T MAKE ME GET THE FLYING MONKEYS.
9. **Inappropriate language:** Refer back to classroom rules #8.
 1. **First Offense:** OOPS a slip of the lip, never let it happen again
 2. **Second Offense:** Together we will make a phone call home. I go first and introduce myself; you'll talk second and tell your parents the "phrase" you used in class.
10. **Bell:** The bell does not dismiss the class I do. Do not get out of your chairs unless dismissed by the teacher.

Procedures:

1. Pick up daily papers located on the desk as you enter the classroom.
2. Upon taking your seat you are to quietly begin bell work.
3. **Bell work:** Bell work consists of two items, either a reading and discussion or journaling. This will be posted daily on the board.
4. It is imperative that you raise your hand if you have a question. I will only answer questions from students that have raised their hand.
5. **Absent Work:** You are responsible for picking up the work you missed. The black bin located on top of the individual class work bins.

I have read the rules and expectations for the class and agree to the procedures by signing the following:
