

# Battles of the American Revolution

## Group Assignment:

Using the computers and book you are to research an assigned battle during the American Revolution. It will be the job of the group to teach who, what, when, why, where, and winner of the battle. Your group will be given 15 minutes to research the battle and up to five minutes to report the findings to the class. The class is dependent on your group to give the correct information because you WILL be tested on the battles.
